Comment:

a. Another source reported that a Soviet tank unit was entrained in LIEGMITZ for an unidentified destination in late October 1949. It cannot be stated whether the trains which passed through SIERADZ carried troops and materiel withdrawn from the LIEGMITZ area, or whether they carried routine shipments of motor vehicles to be repaired or already repaired.

b. The train with Soviet guns observed in TOMASZOW"-MAZOWIECKI, possibly proceeded to the Soviet Zone of Germany.
